

**TASTING NOTES:**

Wilson & Wilson 2012 Cabernet Sauvignon shows bright, gorgeous colors of rich violet with ruby hues. On the nose, aromas of purple flowers, cassis, cherry, and dark red berries are enhanced by pronounced spices of sweet roasted tobacco, anise, red licorice and nutmeg. Subtle hints of violet, wet turned earth, cocoa and chocolate round out the aromatics. The palate delivers, concentrated red fruits and brown spices mingled with bitter chocolate, lavender and almonds, culminating in a silky, balanced long finish.

The wine has a firm structure and shows a balance of great acidity with high but firm already integrated fine tannins. Wilson & Wilson is ready to drink today and will age gracefully for 10-15 years in the bottle.
